City of Woodland...Only 12 miles from railroad, many students have found it to be a more affordable place to live, with all the comforts of big city living. School staff shop and dine in Woodland more than in Sacramento. Safer and slower city than Sacramento, but freeway close.....Purchase the local daily newspaper and see what's up.

TRANSPORTATION

The classroom and railroad are about 20 mile from most sites listed here.

There is no public transportation to the school site....YOU MUST HAVE A CAR
